CANADA GAMES BACKGROUND

THE CANADA GAMES

The first Canada Games were held in Quebec City in 1967 as a Centennial project. Since then, at two-year intervals, 19 more ceremonial torches have been ignited to signal the start of the Canada Games.

An estimated 90,000 Canadians have participated in the Games, with hundreds of thousands of athletes taking part in tryouts and qualifying events.

Cumulatively, over \$280 million has been invested in the Canada Games since their inception, about half of it in capital projects. From track and field complexes to ski hills, soccer pitches to swimming pools, a legacy of facilities has been built up in 19 communities across Canada.

Perhaps as important as the facility legacy is the human legacy. Over 110,000 volunteers have been directly involved in the planning and staging of the Games. With experience gained from the Canada Games, volunteers have gone on to assume other important roles in their communities. They have left an imprint of giving and sharing which no amount of concrete or money can match.

The Games movement has touched thousands. "Unity through Sport", the Canada Games motto conceived in 1967 has endured many changes and obstacles yet remains the pillar of strength.

CANADA GAMES' OATH

The oath shall be declared during the Opening Ceremonies of the Games, by athletes from the host province.

"In the name of all competitors, I pledge that we will take part in these Games in the true spirit of sportsmanship, respecting and abiding by the rules which govern them, for the glory of sport and the honour of our teams."

CANADA GAMES BACKGROUND

CANADA GAMES COUNCIL

CANADA GAMES AWARDS

CANADA GAMES FLAG

At the conclusion of each sport in the Games, each province/territory is ranked according to a system outlined in the sport's technical package. Canada Games flag points are then awarded, with men and women ranked separately when they compete separately. When men and women compete together in a sport, as in badminton with mixed doubles, the points are doubled.

When all sports are complete, the points for each contingent are added together, with the province/territory having the highest point total being awarded the Canada Games Flag.

Previous winners of the Canada Games Flag at the Canada Summer Games were:

2005	Ontario	1985	Ontario
2001	Ontario	1981	Ontario
1997	Ontario	1977	Ontario
1993	Ontario	1973	British Columbia
1989	Ontario	1969	Ontario

CENTENNIAL CUP

At the end of a Canada Games, the Centennial Cup is awarded to the province or territory that makes the greatest improvement from Summer Games to Summer Games or Winter Games to Winter Games.

The flag point differences for each province/territory in each sport are calculated to give an overall measure of change, and the province/territory with the greatest positive change is awarded the Centennial Cup. If a province/territory did not compete in the sport during the preceding Games, that sport is not counted for the province/territory in the current Games. If a sport is new to the Games program, or has been dropped, it does not count in Centennial Cup calculation.

Whereas the Canada Games Flag is a realistic goal for only the biggest provinces, all provinces and territories vie for the Centennial Cup.

Past winners of the Centennial Cup at the Canada Summer Games were:

2005	Manitoba	1985	Manitoba
2001	Nova Scotia	1981	Nova Scotia
1997	Alberta	1977	Newfoundland
1993	British Columbia	1973	Northwest Territories
1989	Saskatchewan		

CANADA GAMES AWARDS

JACK PELECH AWARD

The Jack Pelech Award, instituted at the Canada Summer Games in 1985, is presented by the Interprovincial Sport and Recreation Council to the provincial or territorial team whose athletes, coaches, managers and mission staff best combine competitive performance, good sportsmanship and a spirit of fair play, co-operation and friendship. The award is named after Jack Pelech, Chair of the Board of Directors of the Canada Games Council since 1971. Ballots received from the Chef de Mission from each province and territory determines the award.

The actual trophy is a soapstone carving of two Inuits wrestling. It was carved by Adam P. Kilabuk of Pangnirtung, Northwest Territories.

Previous winners of the Jack Pelech Award at the Canada Summer Games were:

2005	Prince Edward Island	1993	New Brunswick
2001	Saskatchewan	1989	New Brunswick
1997	New Brunswick	1985	New Brunswick

CLAUDE HARDY AWARD

Claude Hardy, who passed away in 1999, was a pioneer of the Canada Games from its very beginning. Claude's first involvement with the Canada Games was as an athlete at the inaugural Canada Games in Québec City in 1967. In 1969, he was a coach for Team Québec at the Canada Summer Games in Halifax-Dartmouth, Nova Scotia. From 1971 to 1999, excluding only the 1979 Canada Winter Games, Claude Hardy lead Team Québec as Chef de Mission. His last Games were the 1999 Winter Games in Corner Brook where it was announced that, at each edition of the Games, an award in his name would serve to recognize a provincial or territorial Mission Team who best exhibits leadership, cooperation, integrity and esprit de corps.

2007	Ontario
2005	New Brunswick
2003	Nova Scotia

ROLAND MICHENER AWARD

In recognition of Roland Michener's contribution to Canada and his passion for physical fitness and sport, the Canada Games Council established the Roland Michener Canada Games Award.

Roland Michener was born in Lacombe, Alberta and throughout his life jogged, played tennis and followed a healthy lifestyle, vowing never to become a sedentary person. On February 22, 1971 Michener closed the 2nd Canada Winter Games held in Saskatoon by saying, "We came together as rivals, but now we have a pervading feeling of being Canadians. We are one family." Roland Michener attended three Canada Games and truly believed that sports brought Canadians together in a unique way, building unity and mutual trust.

The Award is presented every two years to young Canada Games participants who exemplify leadership, cooperation and achievement, characteristics that Mr. Michener is remembered for. Each province and territory at the Games are provided the opportunity to nominate one male and one female athlete.

TEAM ALBERTA INFORMATION

TEAM ALBERTA LOGO

Every province and territory at the Canada Summer Games has official team colors. Alberta's colors are blue, white and grey. The blue portrays the vast prairie skies while the grey symbolizes winter. The lightening bolt in the logo reminds us of Alberta's thunderstorms, but mostly it represents the power and electricity that Team Alberta athletes will possess in Prince Edward Island! The bolt is located on the southwest corner of the logo to indicate the location of the rugged Rocky Mountains in the province. Also, the lightening creates the shape of an evergreen tree symbolizing Alberta's many forests, in the middle of the "A".
